Subject: Non-payment of salary for development of Result Verification Portal of Board of Secondary Education Manipur.

Sir,

With a due respect, I would like to state that I was engaged by NIC for development of “**Result Verification Portal**” of Board of Secondary Education Manipur for a duration of 6 months starting from **3rd Jan 2018** to **2nd July 2018**. At the time of engagement, I was told that my salary will be paid directly by BoSEM. But so far, BoSEM has paid only for the month of Jan 2018 and salary for the period from February to June is yet to be paid. The project has been completed except for online payment module for lack of transaction API of payment gateway which is to be provided by BoSEM.

Sir, you are therefore requested to kindly intervene in this regard for early release of the payment for the remaining months by BoSEM.

Thanking you
